

Therapeutic Arts Paraprofessional Training in Africa (TAPTA) 2027

Join CAALN in Kenya next year!

Since 2008, the leadership teams of CAALN, in collaboration with East African colleagues, have organized **cross-cultural creative arts therapies and counseling trainings**. The program includes community-building, workshops, skill shares, and more.

**EVERYONE IS A TEACHER.
EVERYONE IS A LEARNER.**

We are looking for **creative arts therapists (drama, music, visual, dance/movement, poetry/creative writing, and expressive arts)** and **related professionals (counselors, social workers, etc.)** from around the world to participate in an **exchange of knowledge and skills** with their counterparts in East Africa.
